 - Real Example: Client made it clear there were albums that needed to be transferred from the old site and setup on new site. Old site was showing 20 albums or around (1000 images) and that is how the project was quoted. In reality there were nearly 36,000 images total hidden throughout the site and in blog posts spanning back 10+ years.

D. PENALTIES FOR NON-PAYMENT OR INSUFFICIENT FUNDS:

1. CLIENT must make a down payment equal to 50% of the PROVIDERS quote BEFORE PROVIDER will begin to work on CLIENT’S website. If CLIENT is unable to pay the remaining 50% once the project is completed, ownership of all project assets* will be retained by the PROVIDER.
2. Expenses for all additional work or unforeseen work beyond the PROVIDER’S original quote, and as agreed upon by both the CLIENT and the PROVIDER shall be paid by the CLIENT PRIOR TO turnover of the website* to the CLIENT.

 - Projects restarted after that time will be subject to the current availability of the PROVIDER, and will be re-quoted based on current rates for the services remaining. PROVIDER will seek a 50% down payment on the re-quoted piece for remaining work, and will re-start work on the project upon receipt of the down payment.

 - It is agreed that the PROVIDER is not responsible or held liable for any grammatical or spelling errors contained in the final product once it has been committed to print and/or posted in view of the public.
